MEMORANDUM FOR: Deputy Director of Security
(Chairman, Long Range Planning Group)

SUBJECT : Long Range Considerations

1. In connection with the Long Range Planning Group meeting held on 27 July 1971, you requested that the following items be brought to your attention as possible programs to implement over the long run.

- a. Utilization of women by the Office of Security on a very selective basis, choosing those who competitively qualify by reason of education, experience, and academic excellence.
- b. The writing of an article for the Support Bulletin which will portray the humanitarian role [REDACTED]
- c. The compilation of a book for new employees on the whys and wherefores of Agency regulations. The treatment should be done in a light manner, yet should stress cooperation and the fact that each employee is, in fact, a security officer vis-a-vis his or her relationship with the Agency as a whole and with specific employees within the immediate sphere of influence.
